Inter-University Archery Tournament (2013-2014)
Achievements of HKUST Archery Team

Team captains receive the overall champion trophy from the Vice-President of Hong Kong Archery.

The HKUST Archery Team participated in the last round of 2013-2014 Inter-University Archery Tournaments (IUAT) on 30th March 2014. Team members won **17 medals** in individual events which included **4 champions, 9 first runner-ups and 4 second runner-ups**. The team also outperformed HKU as well as other 6 universities and brought home the **overall champion trophy of IUAT.**

The competition is a good learning experience for fun and competitive games as HKUST Archers can connect with other University students.

Moment in high spirit of HKUST Archers!
