2012-13 is another sports season of cheers and excitement for some 600 student members from over 40 HKUST sports teams!

This year, our sports teams are much stronger and more competitive because of the double cohort. A total of 33 teams are all set for gaining good results in the 2012-13 USFHK sports competitions starting 28 October 2012.

Early in the morning on Thursday, 25 October 2012, a ceremony was held to acknowledge the outstanding performance of the teams and individuals; and to present the HKUST Flag to the Sports Team Captains to lead their team members to represent the University at the upcoming inter-varsity sports events.

Dr. David Mole, Associate Provost (Teaching and Learning) accompanying by Dr. Grace Au, Director of Student Affairs and Mrs. Pandora Yuen, Deputy Director of Student Affairs, officiates at the ceremony. Dr. Mole waving the flag while more than 100 Team Captains and participants looking on.
