

2016-17 HKUST Intramural Athletics Meet

On 19 November 2016, over 400 athletes representing 16 Departmental Teams participated in the 2016-17 HKUST Intramural Athletics Meet. The event was jointly organized by Sports Association and Students' Track and Field Club, HKUSTSU. There were a total of 30 events, ranging from high jump, javelin and discus to all track events. The Meet showcased the athletic talents of our students.

A good team is a "must" to stage a smooth event. Thanks to more than 50 student volunteers, OC members, alumni as well as PE professional staff from SAO for their voluntary services before, on and after the event day. Athletes and their supporters enjoyed the day very much and there were 2 new HKUST Intramural Athletics Meet records set:

Event	Team	Record
Men's 4x100m Relay	ECON	46" 08
Men's 4x400m Relay	MGMT	03'51"64
