

## HKUST Rowing Team crowned Champion and 1st Runner up in the events of 37th Hong Kong Rowing Championships

On the 24th and 25th of October, HKUST Rowing Team has joined the 37th Hong Kong Rowing Championships, the highlighted annual event in Shing Mun River, Sha Tin which attracted the elite rowers from China, Japan, Chinese Taipei and Hong Kong . HKUST rowers participated the universities challenge events and obtained remarkable results. The men coxed four took the gold and the men coxed eight won the silver medal.

HKUST Rowing Team members started their preparation for the competition early from this Summer. Without training on days and at nights, the Team could not achieve this satisfactory result. Our rowers will keep up their hard work and to strive for better result in the coming competitions.

HKUST rowers of the men coxed four (LUC M4+) kept the leading position throughout the race.

Left: HKUST rowers of men coxed eight (LUC M8+) finish second in the race.  
Right: What a big HKUST Rowing Family !
