HKUST Teams win 2nd Runner-up in two events

The HKUST Fencing Teams had participated in the Epee and Foil events of the **2013-14 USFHK Fencing Championships on 22 & 23 March**. The event has provided a valuable platform for university fencers to learn from each another through competitions and exchanges.

Our Men's Epee Team (Jensen HO, Marco IP, Tomas YIP and CHEUNG Tsz-Hin) had a really breathtaking win over the HKIEd Team (45:44) in their first match. The team beat the LU Team (45:30) in the semifinal to win the bronze medal.

Our Womens' Foil Team (Charlie CHEUNG, Katherine CHUNG, Joyce WONG and Kimberley Vanessa CHEUNG) beat the CityU Team in the quarterfinal (45:42) and the HKU Team (44:42) to win the bronze medal.

All 3 teams performed well and achieved 2 ranks higher than last year.

The overall results are:

Men's Epee Team: 3rd

Ladies' Foil Team: 3rd

Men's Foil Team: 5th

The Men's Foil Team beat the CUHK Team to take the 5th place of the event.
