## New Season New Start

In the fall term review, HKUST Sports Teams have launched their participation in the inter-varsity sports competition organized by University Sports Federation of Hong Kong, China (USFHK) focusing on the preliminary rounds to secure a spot in position match.

Our rowing team excelled at the AISL Harrow Rowing Regatta 2024 held in Henqing, earning the 1st Runner-up title in the University Championship for the Coxed Quads Sculls (4X+) over 2600m. This achievement serves as a fantastic wrap-up for 2024!

Notably, we will host the HKUST-University of Macau Sports Challenge Cup on our campus in April 2025. Let's support our student-athletes as they strive for even greater achievements!
