

HKUST Student Athletes achieved at the 2015-2016 USFHK Sports Competitions

About 300 student athletes of 34 sports Teams represented HKUST at the Sports Competitions organized by the University Sports Federation of Hong Kong (USFHK) held from October 2015 to March 2016. They have committed hundreds of hours for training and competing outside their academic work.

They have gained valuable experiences in winning as well as losing, built true friendship and unfailing team spirit with their teammates. Despite the keen competitions, some athletes brought home medals. Let us congratulate the medal winners and all those who have achieved their personal best.

The competitions have finished but the trainings will go on. We wish all teams will have better achievements in the 2016-2017 Season.
