

HKUST Sports Teams Have Good Achievement in the 20th Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament

More than 110 student athletes from 7 teams of 4 sports (Football, Basketball, Volleyball and Table-tennis) represented HKUST at the 20th Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament. This annual competition is organized by the Lingnan University from 8 Oct to 5 Nov 2016 at its campus. HKUST sports team members have started their preparation for the competitions since Sept 2016. They have gained valuable experience in winning as well as losing, built true friendship and unflinching team spirit. Finally, they have brought home **four trophies of 2nd runner-up** in the following events: **Women's Basketball, Men's Volleyball, Men's and Women's Table-tennis**. Without the dedicated training, our teams could not achieve these satisfactory results. Our athletes will keep up their hard work and to strive for better results in the coming USFHK competitions.

Show off the trophies, medals and pennants for the representatives of Women's Basketball, Men's Volleyball, Men's and Women's Table-tennis Teams.
