

HKUST Sports Teams Perform Well in the 21st Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament

The 21st Jackie CHAN Challenge Cup Hong Kong Universities Ball Games Tournament was held by the Lingnan University (LU) successfully from 7 Oct to 29 Oct 2017 at Jackie Chan Gymnasium in LU. More than 90 HKUST student athletes from 6 teams of 3 sports (Basketball, Volleyball and Table-tennis) participated in this competition. HKUST student athletes have just formed their teams and started their preparation for the competitions since Sept 2017. Finally, we brought four trophies home with details as follow:

Team	Result
Women's Basketball	2nd runner-up
Men's Volleyball	2nd runner-up
Men's Table-tennis	2nd runner-up
Women's Table-tennis	2nd runner-up

They have strengthened their team spirit as well as gained unforgettable experience during the competitions. Without the dedicated training, our teams could not achieve these satisfactory results. Our athletes will keep up their hard work and strive for better performance in the coming USFHK competitions.
