

HKUST Sport Climbing Teams participate in the 1st Inter-university Sport Climbing Championship

On the 21 February, HKUST Sport Climbing Teams joined the 1st Inter-university Sport Climbing Championship which was a much-anticipated event for sport climbing amongst universities as it commemorates the establishment of the Joint University Sport Climbing Union. It also marks a huge step for sport climbing and the union to be recognised by the USFHK.

The Championship has attracted student athletes from universities and institutions all over Hong Kong including CUHK, HKU, BU, CityU, PolyU, IVY and HKCT. HKUST Sport Climbing Teams have fared well against other elite athletes as Nguyen THI Kim Lien was able to secure a gold medal in the women's novice while WONG Ting Hin attained a silver medal in the men's novice.

By the collective efforts of all 11 team members, HKUST Sport Climbing Teams are crowned the champion for the group award which signified an overwhelming success for our new teams. Our climbers will continue to train unflinchingly to achieve better results in the upcoming competition.
