

USFHK Rugby Sevens Competition (2013-14)

Great Achievements of the HKUST Teams

The Men's and Women's Rugby Teams competed in the **2013-14 USFHK Rugby Sevens Competition** on 5&6 April 2014. Eleven and ten institutes competed in the men's and women's competition respectively.

After the completion of some exciting pool matches, the Men's Team, with a 3-1 record, just narrowly qualified ahead of HKIEd for the semifinals. The team went on to **beat CUHK 24-12 in the semifinals and HKBU 24-12 in the finals to win the championship!**

The women's team completed the pool matches with a 1-3 record and finished in 8th place.

Though rugby is a team sport, the great play and leadership of Captain Gary WONG (Year 3, FINA) helped the team rise up to their potential.

A well-organized defense, led by Daniel NARRAMORE (Year 3, MARK), was the backbone to the success of the team.

The teams huddle to focus before their matches.

The championship match against HKBU was very physical.

Give me that ball! June AU (Year 2, CBME) shows us how physical rugby can be.

Champions of the USFHK Rugby Sevens Competition!
