

2017-2018 USFHK Dragon Boat Championships

The 2017-2018 USFHK Dragon Boat Championship was organized at Shek Mun Dragon Boat Training Center on 28 April 2018. This is the first-time of Inter-University Dragon Boat Competition organized by the University Sports Federation of Hong Kong, China.

More than two hundreds paddlers from nine local Universities participated in this dynamic and competitive race. HKUST Dragon Boat Teams joined both the Mixed and Men's Small Boat 100 Meter Races. The Small Boat Race required a drummer, a helm and ten paddlers. Everyone is indispensable to the team.

Our team achieved outstanding results by finishing in third place at both the Men's Small Boat Race and Mixed Small Boat Race. We also won the title of overall 2nd runner up in this competition.

We would like to express our appreciations for the support from our sports advisor, coach and the teammates.

Dragon Boat Club, HKUSTSU
