

2014 HKUST Volleyball Tournament

HKUST Teams won the Runners up Titles

The HKUST Volleyball Teams participated in the **2014 HKUST Volleyball Tournament** organized by The HKUSTSU Volleyball Club on **1st July 2014**. This year, there were 6 teams each in both Men's and Women's Group including University of Macau, Institute for Tourism Studies of Macau, HKUST Alumni, The HK Police Force and two HK Open League teams. The competitions not only provided great opportunity for teams to gain experience that allowed them to further improve their skills and tactics. More importantly, it offered a platform for teams to network with those that share a common passion for volleyball.

Our Men's Volleyball team succeeded in defeating the long-standing champion, Institute for Tourism Studies (IFT) but unfortunately could not withstand the new strong team, Lo Kon Ting (LTK), ultimately obtaining Silver medals for their efforts throughout the tournament.

All teams perform exceptionally well, HKUST in particular.

The overall results:

Men's Group

Champion:	Lo Kon Ting (LKT)
1st Runner up:	HKUST
2nd Runner up:	Institute for Tourism Studies (IFT)

Women's Group

Champion:	Institute for Tourism Studies (IFT)
1st Runner up:	Chung Ching
2nd Runner up:	HKUST

Even though the tournaments are over, the teams will continue training to get even better results next year. Becoming stronger and tougher our Volleyball Teams will strive for.

Our Women's Volleyball team played strong against components and with their efforts and sweat concluded the tournament with pleasing results of Bronze Medals.
