

ECON successfully defended the HKUST Intramural Football Competition in 2016-2017

The 2016-17 HKUST Intramural Football Competition was held on Tuesdays and Fridays from 5pm to 8pm at the Artificial Turf Soccer Pitch starting from September 2016 to April 2017. The competition was co-organized by the Students' Football Club and the Sports Association HKUSTSU. There were 16 Departmental Teams competed together with high demand in physical fitness and football techniques. By hiring professional referees, a total of 39 matches including 24 matches in preliminary round and 15 matches in final round were played this year.

Economics, the champion of last year, successfully defended the title. The results are summarized as follows:

Results	Departmental Society Team
Champion	ECON
1 st Runner Up	MGMT
2 nd Runner Up	BIOL
Top Scorer	MARIN, Magree (MGMT)
Most Valuable Player	CHOI, Cheuk Hang (ECON)

To all HKUST football fans, see you next year!

Student officials and professional referees play a very important role in the competition.

We are the dream team!

No matter you win or lose, we will be with you forever.
