

Tsang Shiu Tim Sports Center

Another Milestone for HKUST Sports Community

With construction work started in August 2016, the 4500-square-metre Tsang Shiu Tim Sports Center, has commenced service since November 2018. Thanks for the donation from Tsang Shiu Tim Charitable Foundation, the Sports Center is composed of an Arena which can accommodate Basketball, Volleyball and Badminton games, a Table-tennis/Multipurpose Room for Table Tennis or Dancing activities, an Exercise Zone and an Exercise Room with ocean view for general fitness users. The Sports Center provides an alternative and excellent venue located nearby the seafront which could relieve the huge demand for S. H. HO Sports Hall in LG1.
