HKUST at the 2025-2026 USFHK Taekwondo Competition

Eight student-athletes proudly represented HKUST at the USFHK Taekwondo Competition on 7 & 8 March 2026. They are:

- LEUNG Jeffrey (Year 2, Civil and Environmental Engineering)
- CHEUNG Tung Lam (Year 3, Information Systems, Business Statistics and Operations Management)
- MUNG Pui Hei Justin (Year 2, Chemistry)
- WONG Kenneth Kok Ching (Year 2, Mechanical and Aerospace Engineering)
- WALTER Jeremie (Year 2, Mechanical and Aerospace Engineering)
- CHAN Kin Fung Jacky (Year 4, Mathematics)
- QIU Wai (Year 4, Physics)
- ANANYA-SINGH (Year 3, Management)

LEUNG, Jeffery showcased incredible skill and determination by winning a bronze medal in the Individual Kyorugi FIN category finals! Congratulations to all our student-athletes for their outstanding performances and exemplary sportsmanship.

LEUNG Jeffrey (dressed in blue) fights against an athlete from PolyU.

ANANYA-SINGH (on the left) takes a photo with the coach and teammates.
