

## 2014-15 USFHK Rugby Competition

### HKUST Men's Rugby Team Brought Home the First Runner-up Trophy

The Rugby Competition organized by the University Sports Federation of Hong Kong (USFHK) was held on 3<sup>rd</sup> and 4<sup>th</sup> April 2015 at King's Park Sports Ground. HKUST sent both Men's and Women's teams to join this inter-varsity competition.

Our HKUST Women's Team trained very hard for the tournament this year. They have tried their best in the competition and ranked at sixth position which is the best ranking of the team. The Men's Team finished their pool games with the second position on day 1 and qualified themselves for the semi-final on day 2. Although the Men's Team beat the Hong Kong Institute of Education (HKIEd) in the semi-final, they lose to City University of Hong Kong (CityU) in the championship match.

The Men's Team is focusing on the Tertiary Men 15's League which will be held in May/June 2015 by Hong Kong Rugby Football Union. The team aims to qualify for the "Cup Final" once again this year.

Sonia (ball carrier) keeps driving to the try line.

Dominique (ball carrier) hands off CityU tackler.
