

The 18th HKUST Indoor Archery Open Competition

The 18th HKUST Indoor Archery Open Competition was organized at S. H. Ho Sports Hall of HKUST on 12th February 2017. This competition is an annual event organized by sports leaders from HKUSTSU Archery Club since the academic year of 1998-1999. It is one of the only two indoor archery open competitions in Hong Kong every year. More than 100 top-level archers participated in three different divisions. They are Recurve - Student Division, Recurve - Open Division and Compound - Open Division

More than 100 top-level archers participate in The 18th HKUST Indoor Archery Open

Student-archers from seven local universities took part in the Recurve - Student Division. The competition in this division is highly competitive. HKUST Archers achieved an excellent performance even under great pressure from other participants. Our athletes, **CHEUNG Wing Him** and **HEFLER Csaba** captured the champion and 1st runner-up respectively in the individual event of this division.
